Trick-or-Treat

On October 29th, rooms 5-9 will Trick-or-Treat specific buildings on-site at NASA. If you would like your building involved and are willing to help coordinate it you can e-mail Lynn Buquo. She is always looking for point of contacts in buildings. The exact time we will be leaving has not been set yet. Rooms 1-4 will have an opportunity to Trick-or-Treat the older rooms and office staff in their costumes also on the 29th. They will do this before the big group leaves for the NASA event. Again, times will be sent out at a later date. The kids will need to arrive at the

child care center in their costume and we will change them after the Trick-or-Treating events. Please remember a change of clothes.

Please do not hesitate to ask us if you have any questions. We do recognize this is a lot of information.

Happy Fall!
